Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for La Farge Electric Substation Relocation in fiscal year 2024. The entity to receive funding for this project the Village of La Farge, located at 105 West Main Street, La Farge WI 54639. The funding would be used to relocate a critical electrical substation and infrastructure out of the floodplain and to higher ground to eliminate future damage to the substation itself and reduce risk to lives and loss of property of the La Farge area citizens. The project is an appropriate use of taxpayer funds because The Village has experienced significant flooding over many decades leading to lengthy power outages.

The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "D Van Orden".
